EDUCATION

BENNETT UNIVERSITY — Greater Noida, U.P
Bachelor of Technology (B.Tech), Computer Science Engineering — **Expected 2027**

MANAV BHARTI NATIONAL PUBLIC SCHOOL — Gaya, Bihar
Senior Secondary (Class 12th), CBSE Board — **Mar 2021 - Apr 2023**

EXPERIENCE

Frontend Developer Intern – SettleMint India — **July 2025 – August 2025**

- Built and optimized frontend features using Next.js for scalable web applications.
- Improved responsiveness and UI/UX with React.js & Tailwind CSS
- Collaborated with backend teams for API integration and performance optimization.

UNIVERSITY PROJECTS

GoPair – Cab Sharing Web App
(Tech Stack: MongoDB, Express.js, React.js, Node.js, Tailwind CSS, Socket.io)

- Pioneered a real-time cab-sharing platform utilizing JWT authentication, resulting in a secure system, while also decreasing average student commute times by 20% and enhancing campus connectivity.
- Implemented multi-step ride publishing, real-time ride matching, user authentication (JWT), ride request/accept flow, ride history tracking, profile management, user reviews, and real-time chat functionality using Socket.io for seamless user experience.

CareerVista – AI-Powered Career Counseling Platform
(Tech Stack: Next.js, Tailwind CSS, Node.js, Express.js, MongoDB, OpenAI API, Shadcn UI)

- Developed an AI-driven platform that helps users make informed career decisions through a chatbot, resume analyzer, and job matching feature.
- Integrated personalized career roadmaps, real-time insights, and a sleek, user-friendly interface to enhance user engagement and experience.

BookMyShow Replica – *Movie Ticket Booking Clone (Tech Stack: HTML, CSS, JavaScript)*

- Developed the front end of a BookMyShow clone, incorporating features such as movie listings, showtimes, seat selection, and booking simulation to deliver a Adaptable and user-friendly interface.
- Specialized in responsive design and UI/UX, utilizing custom styling and Proactive interactions to enhance frontend development and create an intuitive user experience.
